

Candoo How to Use Uber for iPhone

To print this guide, go to "File" and click "Print".

*If you already have the Uber app on your phone, skip to step 7.

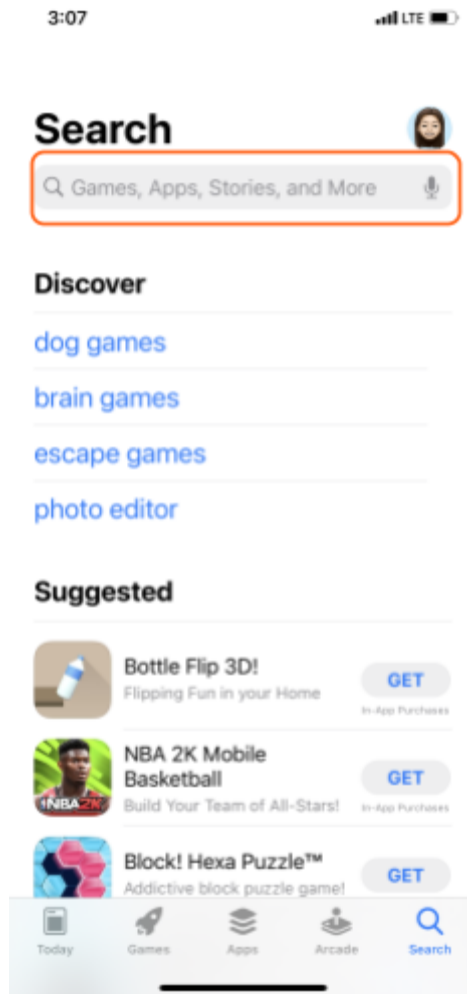

Step 1

Tap on the "App Store" app on your iPhone.

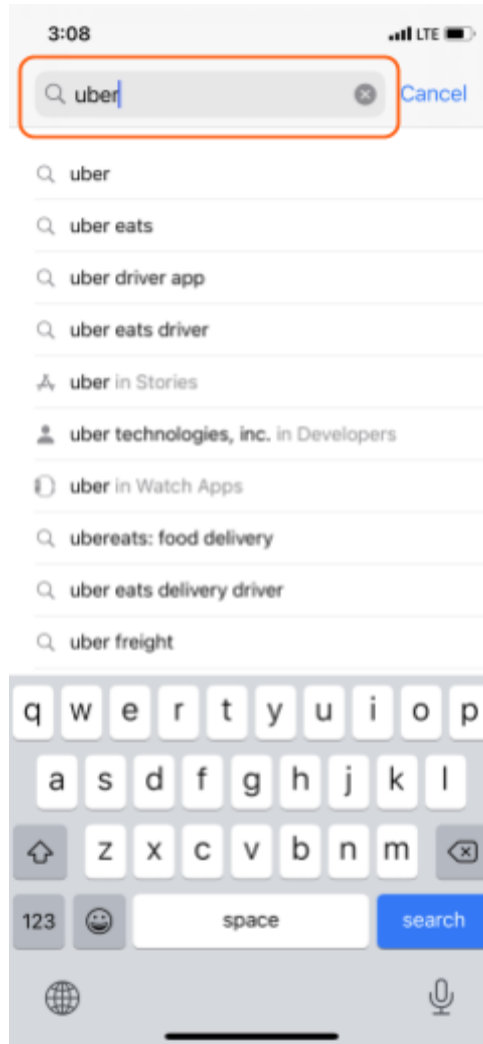

Step 2

Tap the "Search" bar to begin typing.

Step 3

Once in the search bar, type in "Uber".

Step 4

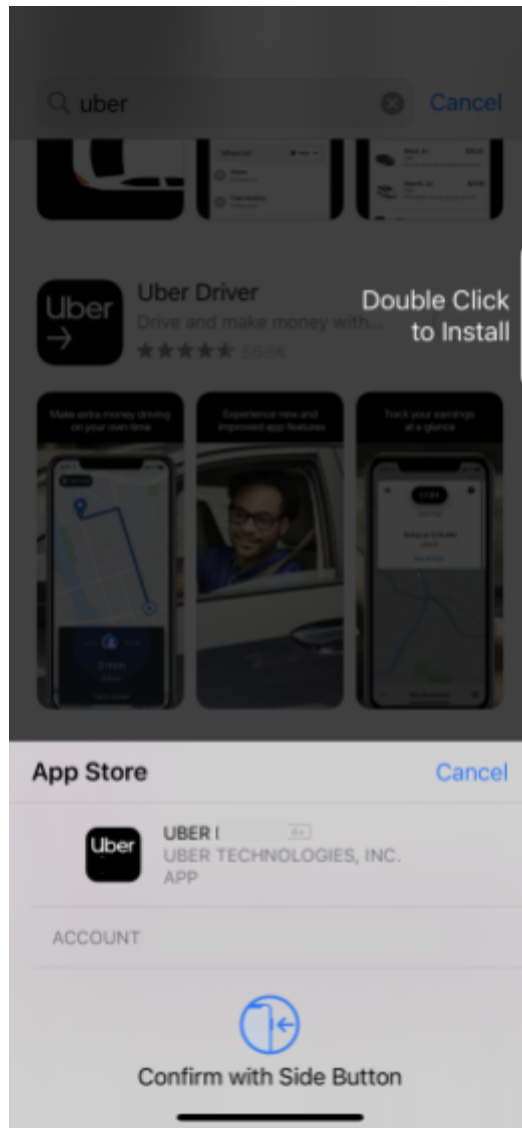

Tap "GET" to purchase the app.

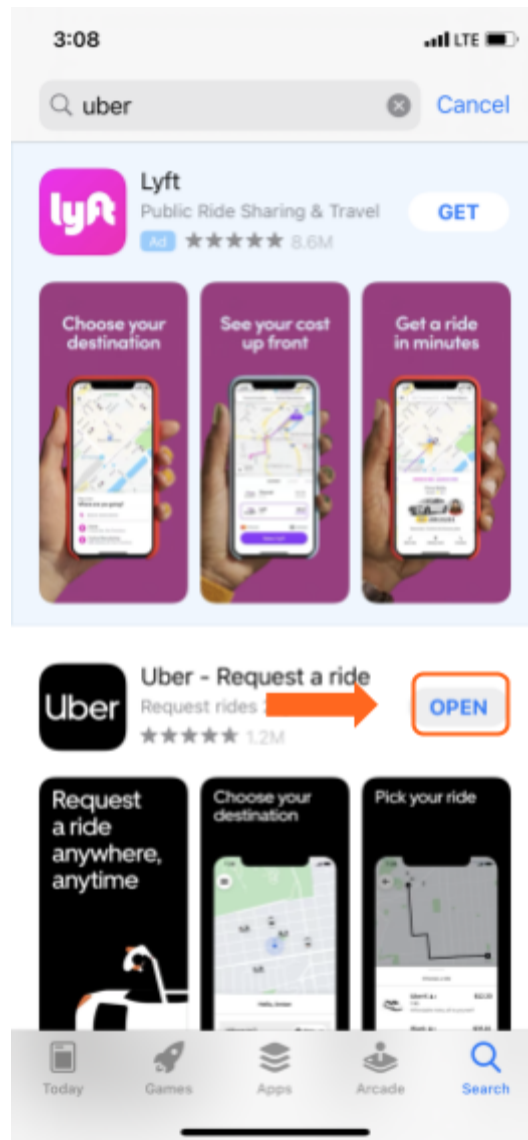

Step 5

To complete the download of the app, you will need to confirm your Apple ID.

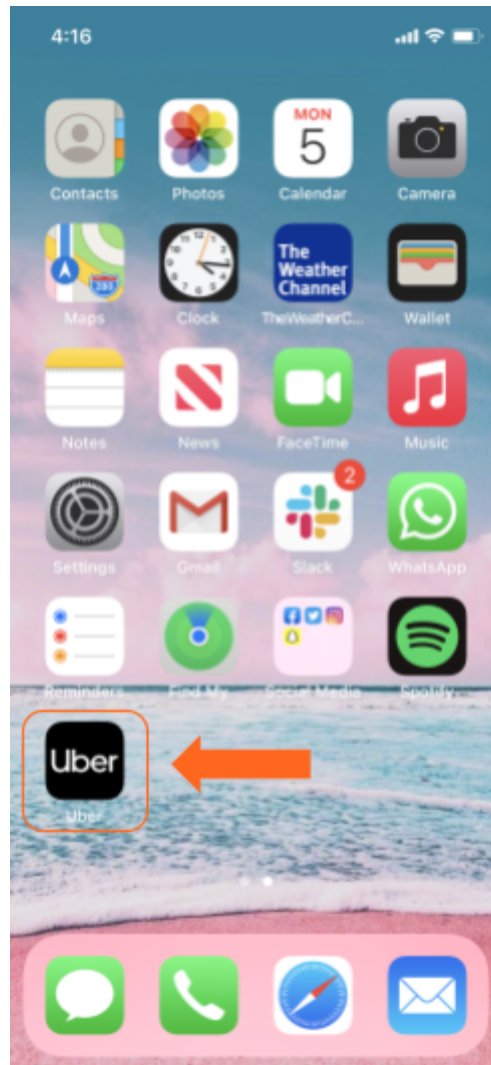

Step 6

Tap "Open", to open the "Uber" app.

Step 7

If you have already downloaded Uber, tap the “Uber” app on your iPhone.

Step 8

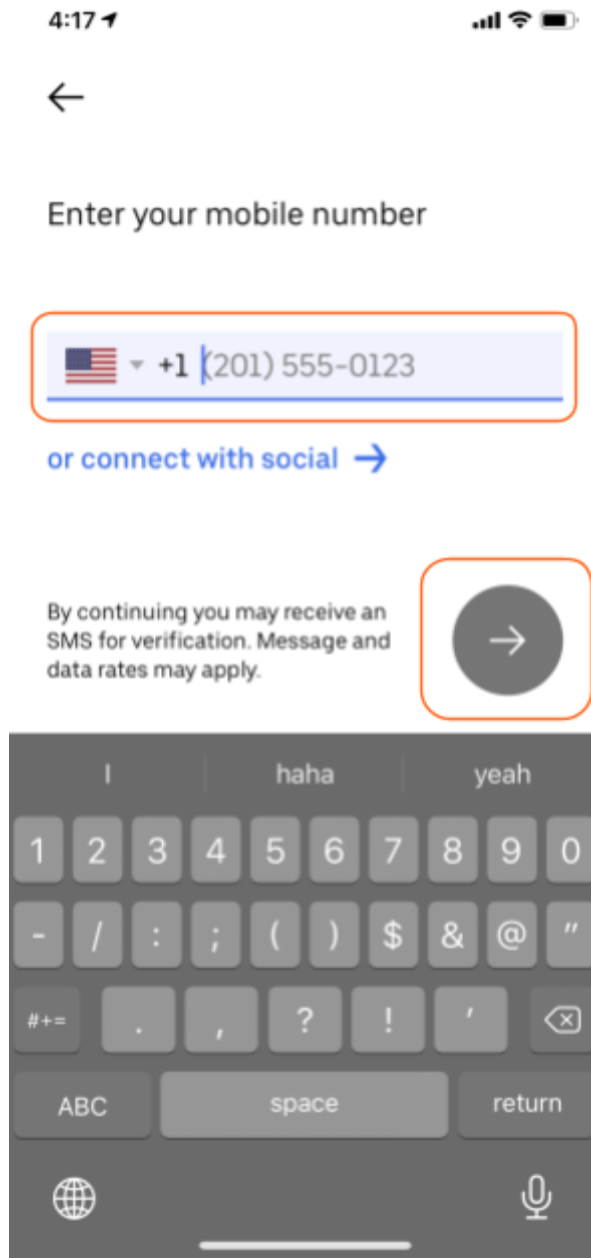

Tap "Get Started".

Step 9

Type in your cell phone number. When complete, tap the arrow.

Step 10

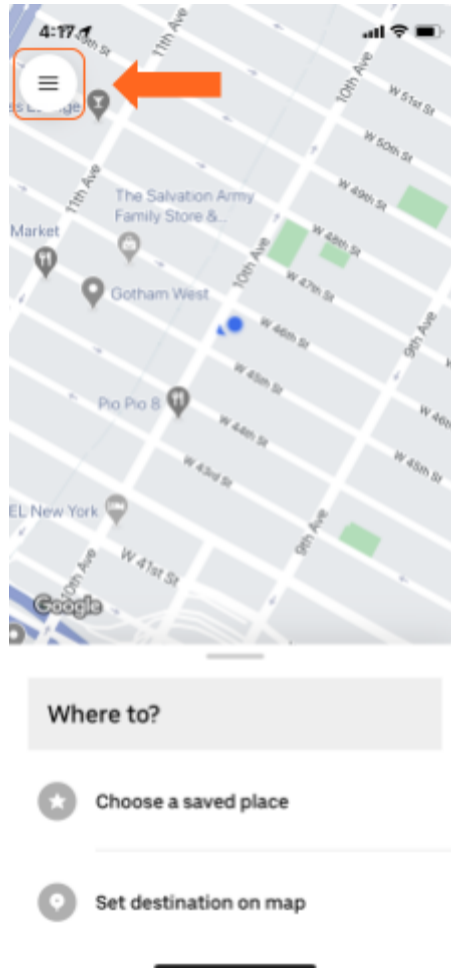

Uber will text you a 4-digit security code. When you receive the code, type it in and click the arrow to continue.

If your payment method has already been added, please skip to step 11.

Step 11

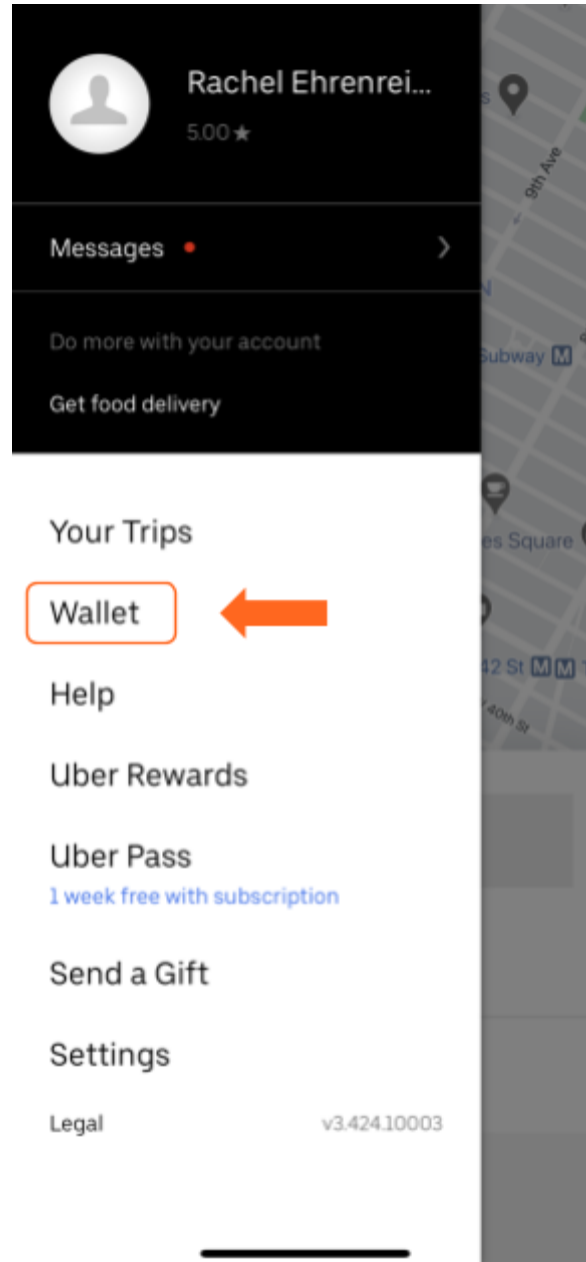

Before you start riding with Uber, make sure to add your payment information. In the top left corner, tap on the menu icon.

**If you have already added a payment method to your Uber account, please skip to Step 17.

Step 12

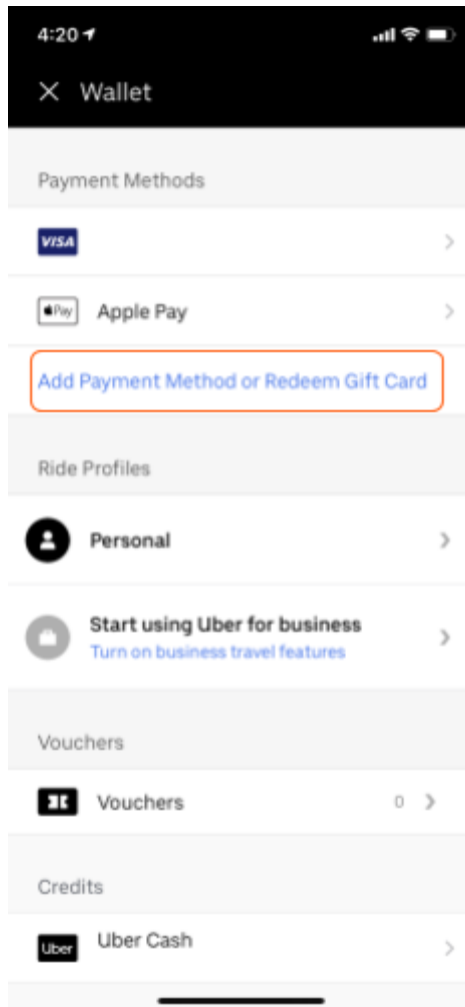

Once in the menu, tap on "Wallet".

Step 13

To add a payment method, tap on “Add Payment Method or Redeem Gift Card”.

Step 16

Tap the "X" to return to Uber's main screen.

Now that your payment has been added, you can now begin riding with Uber.

Step 17

Tap the “Where to?” box.

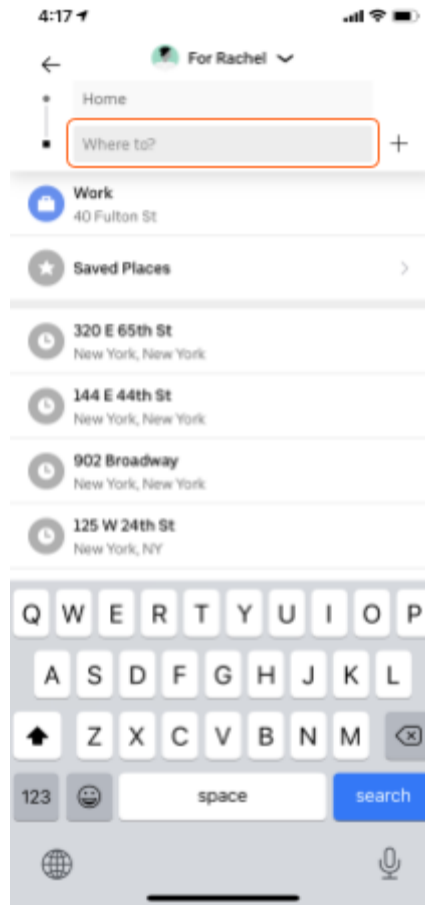

Where to?

★ Choose a saved place

📍 Set destination on map

Step 18

Tap "Where to?" to type in the location or the address of your destination.

Step 19

Choose the type of “Uber” ride you’d like to take. Each ride type will show the cost of your ride. Once you select your ride type, tap “Confirm”.

- **UberX** seats 4 passengers. UberX cars are typically regular sedans like the Toyota Prius, Honda Accord.
- **UberBLACK** is Uber’s luxury service. Commercially registered and insured livery vehicles, typically a black SUV or luxury sedan. Black is the most expensive Uber service.
- **UberXL** seats 6 passengers. UberXL cars are usually SUVs or Minivans.

Uber will send an alert to your phone, when your driver is 2 minutes away and is arriving.
