Candoo How To: Google Maps

Step 1 Select **Google Maps**.

Tech support and training to help you stay independent, safe & connected.

Step 2 Tap **'search here'** to begin typing an address, name of a destination (i.e. restaurant, or public place such as a park.)

Step 3 After selecting a location, tap **'directions'**

Step 4 Choose **starting point location** on the top search bar (the default will be your location) and **select a travel method**.

Tip: If you select “car” you will see this. Push “start” and get step-by-step driving directions with voice instructions. If you want to see an overview before you start, click “steps”

If you want to get directions on public transportation, select the train icon

If you want to **walk**, select the walking icon and you will see this:
