Candoo How-to Uber & Lyft

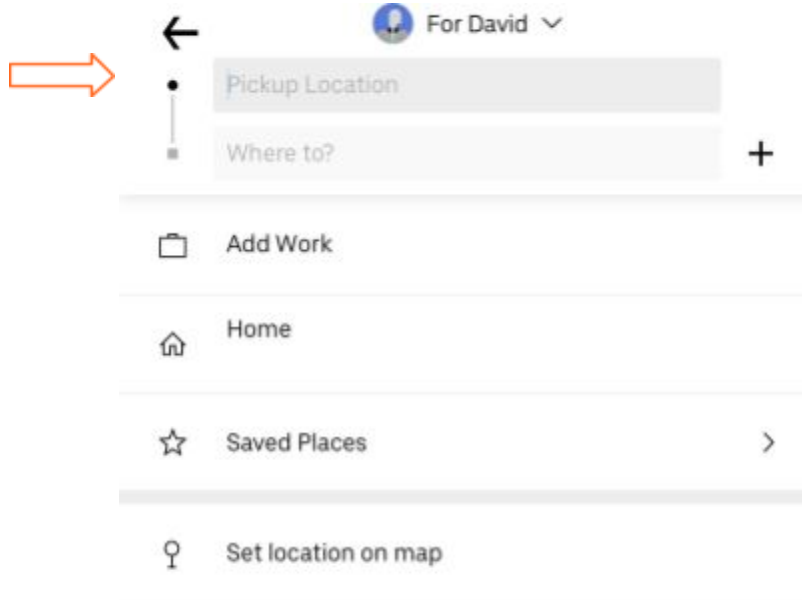

Use Uber:

Step 1 Select the **Uber** app.

Tech support and training to help you stay independent, safe & connected.

Step 2 Type a **Pickup Location** and a **'Where to?' (Destination)**

☆ Saved Places >

📍 Set location on map

Step 3 Choose the Uber vehicle type of preference:

- **UberPOOL** is a shared ride with another Uber user heading in a similar direction as you.
- **UberX** seats 4 passengers. UberX cars are typically regular sedans like the Toyota Prius, Honda Accord.
- **UberBLACK** is Uber's luxury service. Commercially registered and insured livery vehicles, typically a black SUV or luxury sedan. Black is the most expensive Uber service.

Using Lyft

Step 1 Select **Lyft**.

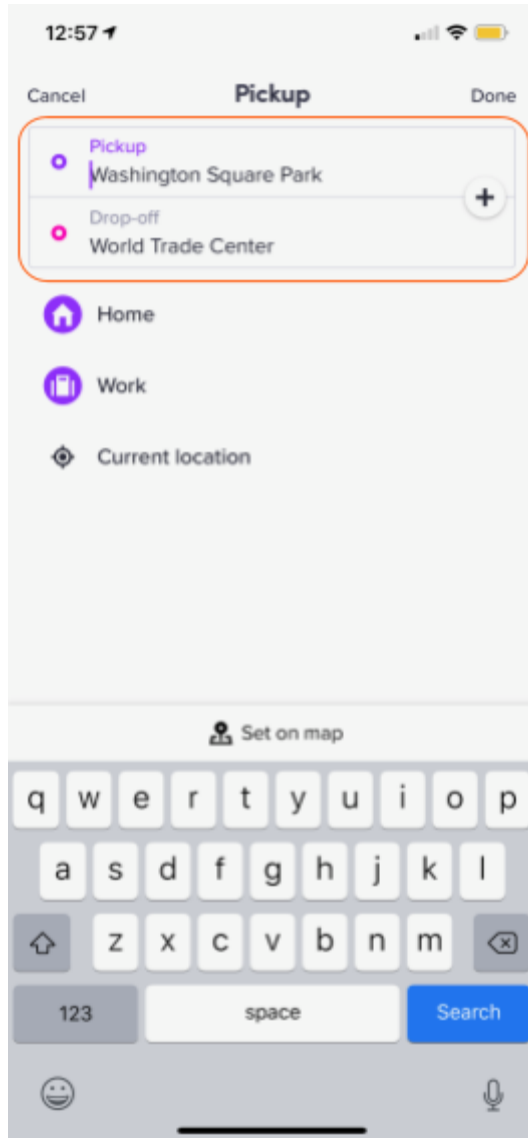

Tech support and training to help you stay independent, safe & connected.

Step 2 Tap **'search destination'** to begin typing an address, restaurant, or public place such as a park.

Step 3 Type the address in the pickup area to tell the driver where you are located and a dropoff location which is your destination.

Step 4 Choose the Lyft vehicle type of preference:

- **LyftShared** is a shared ride with another Lyft user heading in a similar direction as you.
- **Lyft XL** seats 6 passengers. Lyft XL cars are typically larger SUVs.
- **Lux Lyft** is Lyft's luxury car service.
